ROYAL LABS | PRIVATE LABEL & CONTRACT MANUFACTURING

PURE BOTANICAL HYDRATION. COMFORT IN EVERY DROP.

ALOE VERA GEL | FRAGRANCE FREE

Organic aloe-first skin care. Lightweight hydration. No added fragrance.

THE BEAUTY OF KEEPING IT SIMPLE.

Meet an everyday essential with broad private-label appeal: a refreshing, fragrance-free aloe gel made with organic Aloe Barbadensis Leaf Juice. Its lightweight, easy-to-layer texture delivers a cool, comfortable skin feel without an elaborate ingredient story.

AN EVERYDAY GEL WITH PREMIUM POTENTIAL.

From post-shower care to daily body hydration, this streamlined botanical gel fits effortlessly into modern skin-care routines. Organic aloe is complemented by a vitamin C derivative, vitamin E and honeysuckle flower extracts—an elegant combination for brands seeking simplicity with meaningful ingredient appeal.

THE FORMULA STORY

ORGANIC ALOE VERA LEAF JUICE	The hero ingredient provides a refreshing, moisturizing feel and helps skin feel comfortable and cared for.
VITAMIN C DERIVATIVE	Sodium Ascorbyl Phosphate adds a recognizable antioxidant-focused ingredient to the skin-care story.
VITAMIN E	Tocopherol complements the botanical blend with additional antioxidant and skin-conditioning appeal.
HONEYSUCKLE FLOWER EXTRACTS	Lonicera Japonica and Lonicera Caprifolium extracts offer a delicate botanical point of difference.

CLEAN BEAUTY. PURPOSEFULLY SIMPLE.

Fragrance-Free | Cruelty-Free | No added essential oils | Formulated without parabens, PEGs, mineral oil, petrolatum, silicones or added colorants.

YOUR BRAND. OUR INNOVATION.

Launch a versatile aloe gel under your own label. Ask Royal Labs about private-label packaging, brand positioning and turnkey manufacturing for this fragrance-free botanical essential.
