BAKUCHIOL RESTORATIVE FACE OIL

Bakuchiol meets premium Vitamin C. A luxurious botanical facial oil with a modern skincare story.

MEET BOTANICAL RESTORATION, REIMAGINED

Not all facial oils are created equal. Royal Labs brings together bakuchiol, an elegant oil-soluble Vitamin C derivative and a curated collection of botanical oils—creating a sophisticated daily treatment for a smoother, more radiant-looking complexion.

NOT JUST ANOTHER FACE OIL.

Bakuchiol and Tetrahexyldecyl Ascorbate lead a prestige-worthy age-defying story. Rosehip, raspberry seed, sunflower and jojoba oils help condition and soften, while squalane and Vitamin E round out the formula for a supple, luminous-looking finish.
