ROYAL LABS | PRIVATE LABEL & CONTRACT MANUFACTURING

CLEAN HANDS. A SOFTER TOUCH. AN EVERYDAY RITUAL, ELEVATED.

BOTANICAL LIQUID HAND WASH

Rich cleansing foam. Hyaluronic hydration. A fragrance-customizable hand care essential.

TURN AN EVERYDAY NECESSITY INTO A PREMIUM EXPERIENCE.

Bring skincare-inspired sophistication to the sink with a beautifully foaming liquid hand wash. Designed to cleanse away everyday impurities, this formula pairs a multi-surfactant cleansing system with moisture-focused ingredients and premium botanical oils for hands that feel fresh, clean and comfortably cared for.

NOT JUST A HAND WASH. A DAILY BRAND MOMENT.

From the guest bathroom to the kitchen counter, hand wash is a product customers reach for repeatedly. Hyaluronic Acid, organic Aloe Vera, Argan Oil and Olive Oil create an elevated ingredient story, while customizable fragrance options let brands create their own signature sensory experience.

THE FORMULA STORY

MULTI-SURFACTANT CLEANSING	A foaming blend cleanses away daily impurities and rinses clean.
HYALURONIC ACID + GLYCERIN	Moisture-focused ingredients help maintain a soft, comfortable after-feel.
ORGANIC ALOE VERA	A familiar, skin-conditioning botanical for everyday hand care.
ORGANIC ARGAN + OLIVE OILS	Premium plant oils add a nourishing, skincare-inspired story.
SIGNATURE FRAGRANCE OPTIONS	Customize the aromatic experience to suit your brand and collection.

CLEAN BEAUTY. WITHOUT THE COMPROMISE.

Cruelty-Free | SLS-Free & SLES-Free | Formulated without parabens, PEGs, mineral oil, petrolatum or silicones.

YOUR BRAND. OUR INNOVATION.

Create a premium hand care collection with customizable fragrance options and private-label packaging. Ask Royal Labs about ready-to-market programs, pricing and minimum order quantities.
