CLARIFYING CONDITIONER

Tea tree, peppermint and rosemary meet lightweight conditioning care.

A FRESH APPROACH TO CONDITIONING.

Clarifying Conditioner brings together the invigorating character of tea tree, peppermint and rosemary oils with a conditioning base designed to leave hair feeling soft, manageable and refreshed. Organic aloe, hibiscus and quinoa protein elevate the experience with a distinctive botanical story.

NOT JUST ANOTHER CONDITIONER.

Behentrimonium Methosulfate and Stearalkonium Chloride provide slip and detangling, while glycerin and panthenol support a conditioned feel. A vibrant aromatic blend of tea tree, peppermint, rosemary, orange, geranium and fir needle creates a fresh, spa-inspired finish.
