THE GLIDE OF AN OIL.
THE COMFORT OF SKINCARE.

HYDRATING SHAVING OIL

A conditioning shave experience | Hyaluronic acid, niacinamide & botanical oils

MORE THAN A SHAVE. A SKINCARE RITUAL.

Turn an everyday shave into a luxurious skin-conditioning experience. This innovative water-based shaving oil blends hyaluronic acid, niacinamide and glycerin with a curated selection of botanical oils and butters. Designed to provide a smooth, cushioned feel while helping skin feel hydrated and soft after shaving.

NOT JUST ANOTHER SHAVING OIL.

Unlike conventional all-oil shaving products, this conditioning formula combines water-based humectants with nourishing lipids. Jojoba, avocado, argan and sunflower oils join cupuaçu and shea butters for a rich, comfortable shave experience, while panthenol, aloe and allantoin round out the skincare story.

THE FORMULA STORY
