ROYAL LABS | PRIVATE LABEL & CONTRACT MANUFACTURING

DEEP MOISTURE. BEAUTIFULLY SOFT SKIN.
A DAILY INDULGENCE WORTH FEELING.

MEGA MOISTURE CREAM

Rich botanical moisture. Comforting softness. A luxurious everyday body and skin cream.

THE EVERYDAY LUXURY OF LASTING SOFTNESS.

Transform everyday moisturizing into a beautifully rich skin-care ritual. Mega Moisture Cream pairs sunflower oil, shea butter and glycerin with an antioxidant-inspired blend of alpha lipoic acid and green tea extract for a smooth, supple finish.

NOT JUST ANOTHER MOISTURIZING CREAM.

Nourishing oils and shea butter deliver a cushiony skin feel, while glycerin, jojoba and bisabolol support everyday moisture and comfort. Alpha lipoic acid and green tea extract add a compelling antioxidant-focused point of difference.

THE FORMULA STORY

SUNFLOWER OIL + SHEA BUTTER	A rich botanical emollient pairing helps soften dry-feeling skin and create a luxurious cream texture.
GLYCERIN	A classic humectant that attracts moisture to help skin feel hydrated and comfortable.
JOJOBA OIL + SQUALENE	Skin-conditioning lipids help support a smooth, supple and silky after-feel.
BISABOLOL	A comforting cosmetic ingredient selected for its skin-soothing profile.
ALPHA LIPOIC ACID	An antioxidant-focused ingredient for a more sophisticated skin-care story.
GREEN TEA EXTRACT	A botanical extract valued for its antioxidant profile and skin-conditioning appeal.

CLEAN BEAUTY. WITHOUT THE COMPROMISE.

Formulated without parabens, SLS/SLES, PEGs, mineral oil, petrolatum, silicones or added colorants.

YOUR BRAND. OUR INNOVATION.

Bring a premium moisture story to your collection. Ask Royal Labs about private-label manufacturing, packaging, custom fragrance options and product development. Fragrance choices are subject to compatibility and stability testing.
