ROYAL LABS | PRIVATE LABEL & CONTRACT MANUFACTURING

ONE LITTLE BALM.
ENDLESS MOMENTS OF COMFORT.

BOTANICAL MULTIPURPOSE BALM

Portable, all-over moisture. Rich botanical butters. A beautifully simple skin-care essential.

SMALL FORMAT. BIG SKIN-CARE APPEAL.

Meet the take-anywhere balm that turns everyday dry-skin care into a luxurious ritual. A concentrated blend of plant oils, rich butters and beeswax glides over hands, cuticles, elbows and other dry areas, leaving skin feeling soft, smooth and protected from moisture loss.

A PREMIUM BALM WITH EVERYDAY VERSATILITY.

Designed for convenient, targeted application, this water-free balm combines sunflower oil, shea and cocoa butters, coconut and argan oils, and vitamin E. The versatile base can be customized with a fragrance of your brand's choice, creating a signature sensory experience for travel, gifting and everyday care.

THE FORMULA STORY

SUNFLOWER OIL + BEESWAX	A conditioning oil-and-wax base helps create a smooth, convenient balm with a protective skin feel.
SHEA + COCOA BUTTERS	Rich botanical butters help soften rough-feeling areas and enhance the indulgent texture.
COCONUT + ARGAN OILS	Nourishing plant oils complement everyday moisture care for hands, cuticles and body.
TOCOPHEROL (VITAMIN E)	An antioxidant ingredient that supports the premium skin-conditioning story.
ROSEMARY LEAF EXTRACT	A botanical extract that rounds out the plant-derived ingredient story.

CLEAN BEAUTY. WITHOUT THE COMPROMISE.

Cruelty-Free | Water-Free | Formulated without parabens, PEGs, silicones, mineral oil, petrolatum or added colorants.

YOUR BRAND. OUR INNOVATION.

Make it unmistakably yours. Choose your own signature fragrance—or explore an unscented option—along with custom branding, stick or jar packaging and turnkey private-label manufacturing from Royal Labs. Fragrance selection is subject to formula compatibility and stability testing.
