NOURISH THE HAIR. LIFT THE EXPERIENCE.
SOFTNESS WITH BEAUTIFUL BODY.

NOURISHING VOLUME CONDITIONER

Botanical nourishment. Weightless-feeling conditioning. Naturally beautiful movement.

THE CONDITIONER THAT BRINGS BODY AND BEAUTY TOGETHER.

Give customers the softness they crave without sacrificing the full, airy look they love. Nourishing Volume Conditioner pairs a refined conditioning system with aloe, kelp, rice protein and botanical extracts for hair that feels smoother, more manageable and beautifully touchable.

NOT JUST ANOTHER CONDITIONER.

Behentrimonium Methosulfate and Stearalkonium Chloride help detangle and improve combability, while coconut and sunflower oils lend a conditioned, silky feel. Rice protein and kelp extract enrich the botanical story, creating a premium everyday conditioner designed for softness, shine and natural-looking body.
