ROYAL LABS | PRIVATE LABEL & CONTRACT MANUFACTURING

10% ACTIVE SULFUR.
DEEP-CLEANSING CLAY CARE.

OTC SULFUR CLAY MASK

OTC acne-treatment mask | 10% active sulfur | Bentonite + kaolin clays

TARGET BREAKOUTS WITH 10% ACTIVE SULFUR.

Featuring 10% active sulfur, this OTC acne-treatment mask combines targeted blemish care with the oil-absorbing benefits of bentonite and kaolin clays. Glycerin helps support a comfortable skin feel, while white grapefruit oil adds a refreshing aromatic finish.

NOT JUST ANOTHER CLAY MASK.

This dual-clay mask pairs 10% active sulfur with bentonite and kaolin to help address acne and excess surface oil in one treatment-focused ritual. A rich, spreadable texture and fresh grapefruit aroma make it a compelling addition to a premium acne-care collection.

THE FORMULA STORY

SULFUR — 10% ACTIVE	OTC acne-treatment active to help treat acne and blemishes.
BENTONITE CLAY	Mineral clay that helps absorb excess surface oil and impurities.
KAOLIN CLAY	Gentle-feeling clay that helps leave skin looking fresh and refined.
GLYCERIN	Moisture-attracting humectant that supports skin comfort.
WHITE GRAPEFRUIT OIL	Adds a bright, refreshing aromatic note to the masking experience.

PURPOSEFUL INGREDIENTS. A REFINED RITUAL.

Formulated with 10% active sulfur for OTC acne treatment, plus bentonite clay, kaolin clay, glycerin and white grapefruit oil.

YOUR BRAND. OUR INNOVATION.
