**ROYAL LABS | PRIVATE LABEL & CONTRACT MANUFACTURING**

# 2% SALICYLIC ACID ACNE CARE. A FRESH, REFINED FINISH.

## OTC 2% SALICYLIC ACID ASTRINGENT

OTC acne-treatment astringent | 2% salicylic acid active | Witch hazel + aloe vera

### TARGET BREAKOUTS. REFRESH YOUR ROUTINE.

A targeted OTC acne-treatment astringent featuring 2% salicylic acid, designed to help treat acne while removing excess surface oil. Witch hazel complements the refreshing, quick-drying formula, while glycerin and aloe vera bring recognizable skin-conditioning ingredients to the story.

### NOT JUST ANOTHER ASTRINGENT.

This treatment-focused formula pairs a proven acne-care active with the crisp, clean feel of a traditional astringent. A touch of tea tree oil and menthol adds a distinctive botanical, cooling character—an easy addition to a complete blemish-care regimen.

### THE FORMULA STORY

| | |
|---|---|
| **SALICYLIC ACID — 2% ACTIVE** | OTC acne-treatment active that helps treat acne and keep pores clear. |
| **WITCH HAZEL** | Classic botanical astringent ingredient for a refreshed skin feel. |
| **GLYCERIN** | Humectant that helps attract moisture to the skin. |
| **ALOE VERA** | Recognizable botanical ingredient that helps condition skin. |
| **TEA TREE OIL + MENTHOL** | Botanical aromatic character with a refreshing, cooling sensation. |

### PURPOSEFUL FORMULATION. PERFORMANCE FIRST.

2% salicylic acid is the OTC acne-treatment active. The botanical based formula also features witch hazel, glycerin, aloe vera, tea tree oil and menthol.

### YOUR BRAND. OUR INNOVATION.

Add a targeted OTC acne-treatment astringent to your brand with Royal Labs private-label and contract manufacturing. Contact us for product details, packaging options, pricing and regulatory-ready development support.
