## CANDY MINT THERAPEUTIC FOOT CREAM

Rich botanical moisture. A refreshing peppermint finish. Spa-worthy foot care.

### A DAILY RITUAL FOR SOFTER, SMOOTHER FEET.

Give dry, hard-working feet a little luxury. This indulgent botanical foot cream pairs a comforting blend of plant oils and butters with the fresh sensation of peppermint. Designed for feet, heels and ankles, it leaves skin feeling replenished, conditioned and beautifully soft.

### RICH MOISTURE. REFRESHING FINISH.

Sunflower, apricot, argan, coconut and rosehip oils combine with shea and cocoa butters to help soften dry-feeling skin. Olive-derived squalane and aloe vera add a premium skin-care story, while peppermint oil creates a fresh, invigorating sensorial signature. An ideal companion to a branded exfoliating foot scrub.

### THE FORMULA STORY

| | |
|---|---|
| **SUNFLOWER + APRICOT KERNEL OILS** | Nourishing emollients help smooth and soften dry-feeling feet. |
| **SHEA + COCOA BUTTERS** | Rich botanical butters deliver a cushioned, conditioning cream experience. |
| **ARGAN + COCONUT + ROSEHIP OILS** | A premium blend of plant oils supports a soft, supple skin feel. |
| **OLIVE-DERIVED SQUALANE + ALOE** | Skin-conditioning ingredients complement the formula's moisturizing story. |
| **PEPPERMINT + VANILLA EXTRACT** | A fresh, cooling peppermint sensation with a warm botanical accent. |
