VITAMIN C GEL CLEANSER

Gentle daily cleansing. Vitamin C. Botanical freshness for a radiant-looking complexion.

MEET THE VITAMIN C CLEANSING RITUAL

A great skincare routine begins with a cleanser worth looking forward to. Royal Labs pairs a modern, gentle cleansing system with Sodium Ascorbyl Phosphate, a stable vitamin C derivative, and a distinctive collection of botanical extracts for a refreshing daily face wash.

NOT JUST ANOTHER GEL CLEANSER.

Vitamin C Gel Cleanser combines multiple mild cleansing agents with glycerin and organic aloe to cleanse and condition. Raspberry and rosehip seed oils join green tea, hibiscus and rosemary extracts for a premium botanical story—an appealing first step in a radiance-focused skincare routine.
